POWER 88: THE NEXT CHAPTER

Power 88 is making a tremendous push to reach more people with the Gospel.

The FCC has approved our request to raise the height of our tower. This will increase the strength of our signal over our current coverage area and add additional coverage to the Pensacola, Pace and Milton, Florida areas. Our power will more than triple—from 33,000 watts to 100,000 watts!

Our estimated construction is \$150,000. Those funds will:

1. Build the new antenna system
2. Add new “broadcast bays”
3. Move and upgrade our transmitter system

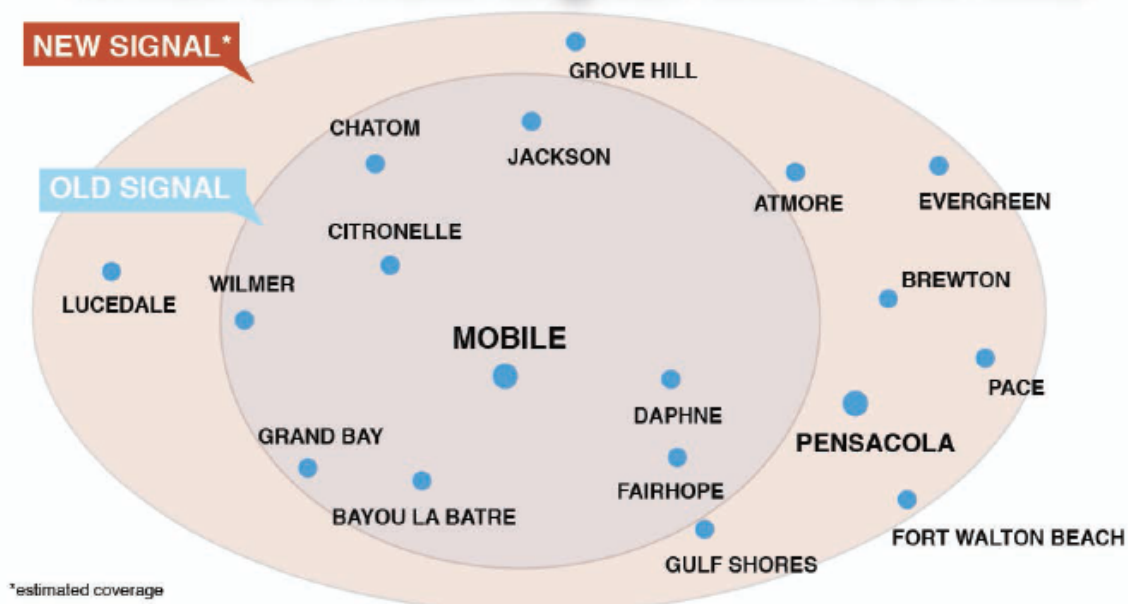

This includes an additional unexpected expense in the construction of our new transmission lines; these lines take the signal from the transmitter up to the antenna on the tower some 800 feet above the ground.

So far, we have received \$101,508 for this critical project. We are most of the way there, but need your support now to complete the work.

Thank you so much for your prayers and financial support. Your special donation to this radio ministry is essential to complete the work God has given us.

Listener Letters

● God has blessed us financially this year. We felt led to donate to your ministry. Personally we have been richly fed by the teachings on WBHY-AM and love to listen and sing with the praise music on Power 88! Thanks so much!

● I thank & praise God for the Power 88 radio station. I am blessed everyday that I listen to it. I just opened a small business. I have Power 88 playing daily. You minister to me through music that keeps my faith strong in Christ. It brings my heart, soul and mind to a place of praise, singing and dancing all day - everyday! I have prayed, asking Christ...where do I put tithes from the business? Lead me to send it wherever you need it. He has answered my prayer. Tho it is a small business, still struggling, not much money coming in, I will be faithful to pay the tithes to Power 88 every month. Thank you for being a huge blessing in my life on a daily forum, personally and professionally.

● Thank you for your special ministry. As I sat and read the update story, it further gave me assurance of God's love for my life. My Dad was a strong Christian example in my life. He and my Mom made certain I was in church every Sunday. I could not begin to thank God enough for their loving influence in my life. As I sit and write this, I am finalizing my Dad's business. We laid him to rest yesterday. It was amazing to watch God's Hand at work, even in the loss of my Dad. HE is great & greatly to be praised. Thank you again for the blessing you are in my life.

“ *It was amazing to watch God's Hand at work, even in the loss of my Dad..* ”

● Thank you for your continued service of the Spanish Fort area. The music you provide has helped turn my life and my father's back to one more fully dedicated to God, and for that I am most grateful. Listening to the music, especially before work or in times of restlessness, gives me a better attitude and a better outlook.”

Goforth Media is a 501-C3 ministry, so your financial gifts are tax deductible. For information on how to donate stocks or other securities, contact Wilbur Goforth at (251) 300-3130. We only

spend about one minute per hour fundraising because we don't want it to reduce our music flow down while we are raising money for the power increase. Thank-You for your support!

Meet Our Translators

Translators capture the signal of a radio station and rebroadcast it, typically on another frequency into an area where the original signal is weak. Our AM stations each have two translators.

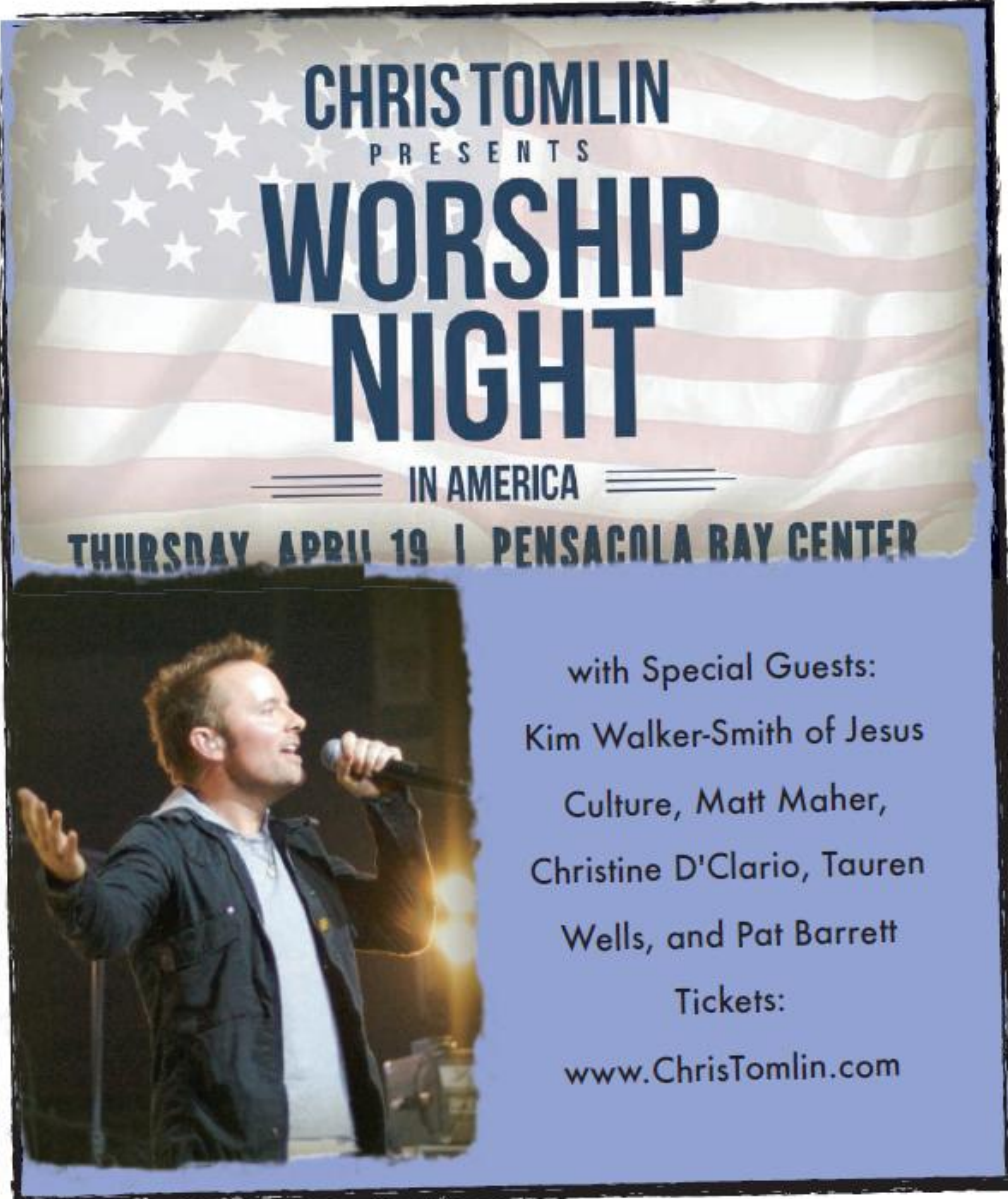

WBHY-AM operates at 840 on the AM dial but you can also hear the

signal through these two translators on the FM dial:

- 103.3 FM – Spanish Fort/Daphne
- 103.5 FM – Mobile

WLPR-AM 960 has these two translators on the FM dial:

- 93.3 FM - Mobile
- 106.9 FM - Fairhope

The poster features a background of the American flag. At the bottom, there is a photograph of Chris Tomlin singing into a microphone on stage.

During Easter, we remember what Jesus endured out of love for us. In a smaller way, we similarly find ourselves caught in a world that can bring intense suffering into our lives. It's during these dark valleys that we can echo the prayer that passed Jesus' lips in the Garden of Gethsemane, "Not as I will, but as you will."

Peace comes when we accept our trials, taking from God's hand absolutely anything he chooses to give us, looking up onto his loving face, and trusting. We rest upon the fact that He will never forsake us. Look at what he went through for us!

He knows better than we do what it is to suffer injustice. And He knows what it is like to have a broken heart.

We have His presence for our loneliness. His understanding for our confusion. His purpose for our aimlessness. His strength in our weakness. His grace is truly more than sufficient. Our very infirmities can make the power of Christ more manifest in our lives.

This radio ministry strives to encourage you in proclaiming His goodness, remembering His name and singing His praise regardless of your circumstances or trouble. Turn on your radio and join with us. Listen and you'll discover our song is not a sad and mournful hymn of defeat. We choose to focus on Him, not on the suffering and persecution this world

flings against us. Our victory song is the cry of those who've been freed by his blessed resurrection and triumph over death and sin!
