FORTH

JUNE 2017

The Lord has opened the door for Power 88 to increase its power threefold! The FCC has approved a change from 33,000 to 100,000 watts. We'll also be raising our tower height. New areas will be able to hear the gospel, especially in and around Pensacola. If you are already in our coverage area, such as Baldwin County, you'll receive a stronger signal: Power 88 will more easily penetrate the walls of buildings and blanket the beaches.

One thing that stands in the way of making this happen: We'll need approximately \$100,000 in extra funding to pay for the antenna, specialized work crews, and other expenses related to the increase. Please pray about helping us walk through a door the Lord has opened. Together, we reach even more people with the gospel. Your tax-exempt donation can be made at Goforth.org or write to P.O. Box 1328, Mobile, Alabama 36633. To donate stocks or other securities call Wilbur Goforth at 251-300-3130.

FROM THE OTHER SIDE OF THE RADIO...

● **Power 88 is our family station** and has been from the beginning. We are blessed every day because of Power 88 and God has showed us a financial way to support. Your motto states to give where you get your blessings! The Eastern Shore and Mobile are so blessed to have Power 88 every day! Thanks for all you do there :-) God is heard through you every day and our lives are better because of Power 88!! Jeremiah 29:11 "For I know the plans I have for you....plans for a hope and a future."

● **Not long ago I was reborn through Jesus Christ.** As a covenant to God, I promised two things: to be abstinent and pure until I'm married and to give everything to God. EVERYTHING means music too. So I looked at the ENORMOUS billboard on I-10 and decided I'd check y'all out. I've never looked back! It's hard to go to dances at school or talk with friends about music when most of them don't listen to Christian music but I've always been happy with my decision to love Christ in every aspect of my life. Thank you for keeping me on the right track to keeping my covenant with God! (a listener age 15)

“ *I just happened to look in my rear view mirror at the lady behind me, and I could read her lips..*

● **You guys & gals at Power 88 are the best,** and I just wanted to send this donation to show my appreciation! Last Friday afternoon, I was sitting at a red light listening to Power 88 and a DC Talk song was playing. I just happened to look

in my rear view mirror at the lady behind me, and I could read her lips. She was singing the song I was listening too. I just felt like a part of this Power 88 community of listeners and felt so warm & connected to God too. I was so encouraged to see

her 2 boys in the back seat singing along, just like my son does when he's in the car with me. Words cannot adequately express how great that brief moment felt.

● **In the spring of 1995** God

began to work on me. One of the big things He did was to break my radio in a very funny way. In the witness of many my radio in my car would only play Christian radio stations for a span of several months. (People still talk about it!) I loved music and hated silence and had never heard contemporary Christian music. I was in fact very ANTI-Christian! But rather than listen to silence in my car (which I had to be in allot for my work), I listened to the only Christian radio station that was 'cool'. Slowly my heart softened. July 2, 1995 I was born into the Kingdom and God has used this station in my life in so many ways since then it would take chapters to list. Please forgive me for not supporting financially sooner. I don't know why I didn't sooner except procrastination and disobedience. I am believing to be able increase what I can give. Thank you for being there for me.

School is out!

Welcome Scott Tatum

I am so excited to be a part of Power 88 and happy to play a small part in the presentation of God's love for us through Goforth Media.

I graduated from Foley High School and earned a marketing degree from Auburn University. After that, I spent a decade working at a Christian radio station in Chattanooga before returning home. I strongly believe that Christian radio is a great way for local businesses to reach families with children while at the same time spreading the gospel.

Scott lives in Orange Beach and leads the music at the Galilean service each Sunday on the Gulf Shores beach. Contact him about advertising and sponsorship of Christian programming at scott@goforth.org or call (251) 300-3138.

Are you ready for some summer fun?! We are. There's a great summer of ministry ahead for Goforth Media. We're thrilled about what God may have in store! And, as we head into the summer, we need to remind you that you are important to us, and we're counting on your support. Every year at this time, giving drops off, which puts Goforth Media in a tough position. We have monthly obligations that remain consistent throughout the year... essentials like keeping the transmitter on, the studio powered up, and paying our staff. You see, while giving goes on vacation during the summer, Goforth Media doesn't. Listeners like you count on us every day. Monthly support and special gifts are just as important during these hot and humid months as they are the rest of the year. Let's keep this ministry fully supported during the summer. Thank you in advance for sharing the vision!

Normally I use this space to talk about what's going on at Power 88. This time, I'd like to speak to you about the other stations that make up Goforth Media. If you are a fan of Southern Gospel music, did you know that you now have a full time station dedicated to your music on the FM dial? If you live in Mobile you can now hear Southern Gospel music through "Singing News Radio" at 93.3 FM.

If you live or work on the Eastern Shore, check out 106.9 FM. It's the same great programming we've had for years on 960

AM, but it sounds better than ever in stereo on an FM frequency. If you ever need some encouragement from God's Word through some incredible speakers and preachers, 840 AM Christian Talk has now found a home on the FM frequency as well. Set your dial to 103.5 FM in Mobile or 103.3 FM along the Eastern Shore for 24 hours of Christian Talk. You can now hear preachers like David Jeremiah, Charles Stanley, and Tony Evans to give you an encouraging message for your life. You will also get financial tips from Dave Ramsey and hear about daily issues from a Christian perspective from Eric Metaxas. Visit our site at www.goforth.org for a full list of daily programs. At Goforth Media, we're using different radio formats to reach as many people as possible along the Gulf Coast for Christ. In a world where negative media and messages are being constantly sent, we feel it's important to use the tools we have to send a positive message pointing people to Christ. It's because of your prayerful and financial support that we're able to make all happen. So, THANK YOU!
