December 2017

GOD CAME NEAR

As you busy yourself with holiday preparations, shopping, and other year-end activities, please remember we are celebrating our Savior's arrival and not the coming of Santa. The significance of giving presents should be directly related to God's gift of his Son.

When the manger scene is back in the attic, the wrapping paper and ribbons are in the trashcan, and the friends and family have said their goodbyes, your house might feel empty. This is when There is One who waits to fill your heart and every day of this coming year. He will renew your hope.

As we reach the end of 2017, we thank you for being such a good friend to Goforth Media. Your generosity made a real impact this year on our community. Without your partnership, there would be no Power 88, WBHY 840 AM, or WLPR 960 AM.

The notes written by listeners included in this newsletter show some of the lives we have touched. You are included in that "we" if you pray for this ministry.

And think of all the additional lives we will be able to reach with the coming power increase! We are getting so close to reaching our goal of raising \$150,000 to meet the expenses for this increase that will widen our coverage area.

After meeting obligations to your church, we hope you will remember Goforth Media in your year-end giving.

Please pray for God to meet the financial need. Pray for the engineers who are putting all the pieces together.

Your partnership helps to strengthen families, preserve tradition, and transform lives. May God bless your family and have a wonderful Christmas and a truly Christ-filled 2018!

Listener Letters

- Your ministry is a blessing to our family. It is very encouraging to hear & see our 2-year-old, who has a speech delay, try her best to sing along with the music and enjoy it! We are a family focused and centered on God.

“ *Power 88 is our family station..*

- One day I heard one of your announcers tell the story about Jesus using a boy's lunch to feed the five thousand people and then he said, "you never know what the smallest gift will do to affect a life". I was encouraged by the story to give what I was/am able to give at the present time.

- The music on Power 88 is pure, fresh and encouraging. I enjoy it very much along with Kenny in the afternoon and Fridays with Heather and Robert. Heather's laughter does good like a medicine. Finally, Sunday mornings are extra special as I am prepared for Worship as I listen to Andy Krisman.

- *(handwritten letter from Holman Prison)*

What a great blessing it is for me to exercise my faith by giving my tithes and love to God through your radio ministry. May the words and music that lifts up the name of Jesus continue to have free course, and change lives, through this ministry, in Jesus Mighty name. Here is my donation of ten-dollars. Please join with me in prayer for my mother who is battling with cancer. Also my son who is struggling in his walk of faith with Christ and unforgiveness. And lastly, that I would be a faithful steward and a light that continues to shine in or from the darkness.

- Power 88 is our family station and has been from the beginning. God has showed us a financial way to support. Your motto states to give where you get your blessings! God is heard through you every day and our lives are better because of Power 88!!

- Enclosed is my gift of \$7.00 to help you raise the tower and reach more people. May the Lord abundantly bless you all as you continue to do the work of the ministry.

You can give to this ministry online at

Goforth Media is a 501-C3 ministry, so your financial gifts are tax deductible. You have just a few weeks left in the year to send a gift that can be deducted from your 2017 income tax. Your donation must be postmarked by December 31 to be counted for a 2017 tax-deduction.

For information on how to donate stocks or other securities, contact Wilbur Goforth at (251) 300-3130. We only spend about one minute per hour fundraising because we don't want it to reduce our music flow down while we are raising money for the power increase. Thank-You for your support!

Merry Christmas! I know you will hear that phrase from everyone from family members to those selling you those all important last minute gifts, but I wanted to chime in as well. The greeting is common, but it carries a powerful weight. Because a Savior was born over 2,000 years ago, we are able to celebrate, not just giving gifts, but the gift of salvation, the price of which was paid by Jesus: something we could never afford ourselves. It is because of what this holiday means that we are able to celebrate basically anything in life. Mankind's

salvation was born that night in Bethlehem. Let's not forget that. From our family to yours, "Merry Christmas!"
