

G FORTTH

DEC 2018

“You are the light of the world. A city on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead, they put it on a stand and it gives light to everyone in the house. In the same way let your light shine before men.”

Those words come from the Gospel of Matthew, chapter 5.

Goforth Media is a light and we are literally on a hill. From one of the highest points along the Gulf Coast, we beam the light of Jesus Christ to more than a million people through a combination of three radio stations, the internet, and translators. The equipment may be cutting edge but the message is tried and

true. The teaching and the words in the music cut to the hearts of listeners, penetrating the walls of their homes and cars.

Will you stand on this hill with us? Have you been blessed by this ministry? Do you have a vision for reaching others with the Good News? We’re raising up men and women who will spread the light of the gospel with us.

As a non-profit ministry and a community-supported station, we need your help. Join us this month with a gift of any size.

Be a light to everyone on the central Gulf Coast and stand with us. Let your light shine before men!

Listener Letters

● When I first started listening to Power 88 I was not a Christian and I listened to secular music. The Lord has used Power 88 in many ways in my life. I don't know what I would do without you guys! There has been many times in the past few years you guys have helped me get through the day.

● I was feeling depressed about getting older in life and not having someone to share my life with. I cried out to God that things would be a lot better if I just had that significant other in my life to share the load of things that I am going through. While I was waiting on God to answer me, the song "Who Am I" came on the radio, and all that I could do was start to cry and raise my hands to praise the Lord. It was in that moment that I realized that I didn't need anyone else in my life except the Lord to rely on for the problems that I was going through. It also made me realize because of all that Christ did for me, who do I think that I am requesting anything in return for just serving Him for the rest of my life? Thank you for letting me

● This is a great uplifting radio station, safe for the little ears, which is important to me with little ones riding in the back seat.

“ *You have no idea what you mean to someone who is hurting..*

● Your station has meant so much to me these past few months. I had not listened to it before because I was a backslidden Christian. It took losing my business, my family, etc. to wake me up. I know that my Lord has forgiven me even though many folks haven't. Day and night, your station blesses me. I run a paper route at 3am and have a sales job during the day. Keep up what you are doing. You have no idea what you mean to someone who is hurting and lonely. In the near future, as the Lord blesses I plan to support your station financially. Until that time though be sure that I am lifting you up in prayer. Thanks again and God bless you all.

Only a Few Weeks Left

From now until the end of the year, our "seasonal duties" will crowd in around us. From presents and parties to special services and family visits. These things may block our spiritual vision and cause us to miss seeing so many people around us who are alone. They may spend the holidays comforted only by the light that Goforth Media sheds into their home. We ask you to consider giving a gift to this ministry to help them. Help the hurting and lonely to continue hearing "tidings of great joy."

We have made it through another year of faithfully broadcasting the gospel because people like you have stood behind us with your financial support. 2018 has been a powerful year of ministry for Goforth Media. Your partnership during the past 12 months has served as an important link in God's plan. And now we are reaching even more with the power increase.

Rejoice with us as we thank God for the people he has brought to Christ this year directly through this radio ministry and the events we have encouraged listeners to attend. Thank our Lord for the Christians he has built up in the faith, for the marriages he has restored and for the relationships he has healed.

And thank you for sharing our vision of reaching folks with the Good News through Christian radio. If you have been looking for a place to make an eternal investment to close out the year, then we can assure you that Goforth Media is a ministry that is making a difference for eternity.

Goforth Media is a 501-C3 ministry, so your financial gifts are tax deductible. Remember, *you have just a few weeks left in the year* to send a gift that can be deducted from your 2018 income tax. Your donation must be postmarked by December 31 to be counted for a 2018 tax-deduction.

Kenny's Corner

2018 was an incredibly eventful year at Goforth Media. We saw some of the most incredible Christian artists come to the Gulf Coast. Artists like TobyMac, Chris Tomlin, Skillet, and the Newsboys all performed live in our area. One of our own retired after

more than 30 years of faithful service to this ministry. (We love you Jean Williams! Overall the most impactful event happened on November 5 at 3:05 pm. That was the moment, after nearly two years of praying and hard work, we finally flipped the switch to increase Power 88 to 100,000 watts. It was a long process filled with twists and turns and many things we didn't see coming. We didn't—but God did. He kept us strong through this trying process and was faithful the whole time. We are now broadcasting to more people than any time in the entire 25 years we've been in operation. Through this process our listeners also remained faithful both

prayerfully and financially. We would not have been able to sustain this outreach without your support. While 2018 was a monumental year in this ministry, we turn the page to 2019 and are excited to see what God does through this ministry in the upcoming year with this new power increase. Thank you for continuing with us on this journey of grace.
